

SCHLAMPANPAN

FIND YOUR WINE MATCH

Your year of foundation / owner:

July 2021 - Malgorzata (Gosia) Kielak

Describe your product range in one sentence:

Wine from local European wineries (Germany, Austria, Italy, France & Spain) between EUR10-EUR20 with modern labelling categorised into 10 Wine Styles (our own categorisation system based on taste).

What is the most expensive bottle in your range and how much does it cost?

Natural Wines - EUR19.90

Which white wine in the 10-15 euro price category do you recommend for casual drinking?

All wines from our Aromatic & Floral category - perfect for sipping without pairing with food since they don't have so much acidity and we call them palate pleasers .

Which red wine do you recommend for a sumptuous roast dinner?

All reds from our Ripe & Fruity category since they pair well with fatty foods like burgers or barbecue due to the fact that they have quite a lot of tannins and tannins absorb the fat.

What do you have that is not available anywhere else?

Unique venue design, all wines categorised into 10 wine styles and community of wine lovers with regular events such as wine tastings, speed dating, wine Friday with a dj or comedy nights.

Is there a wine trend 23/24?

Alcohol-free wine

What do you think of DRY JANUARY?

We believe that you don't need to drink alcohol to be a wine lover. That's why we also offer alcohol free wine.
